UMBRELLA PROTECTION

Your Best Defense

Freedom to focus on your life

Now you can fully enjoy your personal activities, recreational vehicles, house or condominium, knowing that in many cases your insurance policy will respond when you are responsible for damage to others. A personal umbrella liability policy from Cincinnati offers peace of mind so you can focus on your life.

How does Cincinnati's personal umbrella protect you?

Personal umbrella insurance protects you against covered losses exceeding the amount of liability insurance you have under your auto, condo, homeowners or tenants policy. In addition, the umbrella provides protection for some situations not covered by those policies. Your personal umbrella has built-in coverage for libel, slander, damage to someone else's property in your care, accidents in a foreign country and even assault and battery to protect your life and property. You receive a premium discount when Cincinnati provides your umbrella and homeowner coverages (where available).

How much protection do you need?

Cincinnati's personal umbrella liability policy gives you \$1 million of protection. Higher limits are available in increments of \$1 million. Your agent can help you determine the appropriate amount for your family.
